

The Wisconsin Special Education Mediation System (WSEMS)

Announces

Special Education Mediation Roster Candidate Training September 25-29, 2017 Milwaukee, Wisconsin

WSEMS is seeking to expand their mediator roster in order to reflect the diversity and geography of our state. Our current needs are for experienced mediators who have skills in working with multi-cultural conflicts and facilitating large group meetings. We are also looking for mediators who are located in or near more central and northern areas of the state. The training is free and breakfast and lunch will be paid by the WSEMS. Attendance at the training does not guarantee a position on the roster.

Attendance is limited, so please submit your application as soon as possible. Applications submitted prior to June 30, 2017 will be reviewed by a committee consisting of the WSEMS Partners and Staff. Any applications submitted after June 30th will be reviewed if there is space available. Applicants will be notified on or before July 15, 2017.

Training will be provided by the WSEMS Partners (representing mediation, parent, and school viewpoints), WSEMS System Administrator, WSEMS Multi-Cultural Outreach Coordinator, the WSEMS Stakeholder Group (representing school and parent viewpoints including attorneys, parents, and school administrators), Wisconsin Department of Public Instruction, and members of the WSEMS roster. Application for Continuing Legal Credit (CLE) will be made.
